SUBMISSION OF SUPPLEMENTAL APPLICATION DATA SHEET

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The Notice of Allowability mailed May 25, 2007 provided that a substitute oath or declaration must be submitted for the reasons set forth in the Examiner's Amendment or Notice of Informal Patent Application. However, no reasons were given in the Examiner's Amendment and a Notice of Information Patent Application was not attached to the Notice of Allowability. Applicants assume that the reasons are the same as those set forth in the Notice of Allowability mailed September 27, 2006, namely, that the declaration or oath does not provide the post office address for two out of the four inventors, as required by 37 C.F.R. 1.33(a).

Applicants enclose a Supplemental Application Data Sheet which provides the post office address of all four inventors. Applicants therefore submit the declaration complies with 37 C.F.R. 1.33(a).

The Examiner is hereby invited to contact the undersigned by telephone if there are any questions concerning this submission or application.

Respectfully submitted,

Date: May 31, 2007
